

Dear G-Force family,

WOW! What a whirlwind of some 1500 miles over 8 days. Thank you so much as the Lord was so kind in granting us journey mercies over those miles traveled. I have attached a couple of pics of the first engagement & event that involved the dedication of the building expansion down in Richfield.

Richfield: It was so kind for the folks to invite us down for that celebration as we not only had the privilege of celebrating with them but also to dedicate the new expansion to the Lord. We sensed a genuine excitement in the air as we not only celebrated but also dedicated the new addition to the Lord and to His glory. It was a special & precious time with those dear folks at our previous ministry.

Wyoming: After spending a couple of nights home, I then headed back out with another dear colleague from our field as we made the 1,000 mile round trip to share in 2 chapel sessions as well as a couple of classes as we engaged with Bible College students as we made them aware of the spiritual needs on our field. Please pray that the Lord may work in the heart of some of those students as to how the Lord may want them involved to meet some of those needs. It has been a demanding 8 days, but we are so grateful to have had the privilege of being involved in both of these opportunities for ministry. Thank you so much for upholding us in prayer and please rejoice with us in God's kindness!

Your friends,

Dom & Elaine
