May/June, 2026

“May integrity and uprightness protect me, because my hope, LORD, is in you.” Psalm 25:21

Dear Praying Friends,

A new month, a new day, a new opportunity to look forward to what God has in store for us and the Association of Bible Churches in Guyana. The ministry here could easily be summed up in three simple phrases: “Celebrate the Past, Joy in the Present, and Hope for the Future.” Truly, we have been blessed with many years of fruitful service, in spite of the usual trials of ministry, especially in church planting. There is much to celebrate, be joyful for, and yes, even hope for as we seek the Lord’s continued guidance going forward. We trust that this motto could help to motivate and encourage our readers as well, especially as we seek to glorify God in every aspect of our lives.

We were blessed to once again host the 36 member dental team in March. It was a week of intense work and ministry, as over 536 persons came through the 5 days of clinic held at the Fyrish Bible Church. The doctors, hygienists, and hygiene students were extremely busy! Praise God for the opportunity to share the gospel with each person who visited the clinic, with the result that there were 37 decisions to accept Christ! **Thank you for praying** for all who were a part of this week, as we saw much fruit for our labor. (see attached photos)

It was not long after the dental team departed for their cooler climate, that our next guest arrived. Dr. Gary deBock from Big Rapids, MI, came for 10 days of BBI/SRTS classes. It became apparent that there was a need for more one on one discussion with the ABC pastors, for encouragement and strategic planning. So Gary was intentional in his many visits in their homes, culminating on the last day with a time of planning, discussion, and renewed direction for the ministry as a whole. For many years, Dr. Gary has traveled to Guyana to come alongside us in training, discipleship, and encouragement. We are grateful for all he has done to make himself available, through long distance mentoring, practical teaching “tools”, and especially in- person visits. **Please pray** for the leadership of the ABC, as they implement the decisions that are in the “pipeline” for future ministry.

We are heading into the busy “camping season” for May through August at the Alness Bible Camp. This month, the first three day Ladies retreat will be held, with a special speaker from Trinidad, guests from the USA to assist in programming and cooking, and an open invitation to “all Guyana” to attend! Since this is the first time for so many ladies, and an altogether new experience in Christian camping, we are asking our prayer partners to **please pray** for those who will be in attendance. Many will be from our own churches, but it is an open invitation for ladies throughout Guyana, so it is an opportunity to share the gospel and show the love of Christ to all who attend. (See the Alness Bible Camp Facebook page)

One more prayer request for the month of June. Pastor Anthony and his wife Nadia from the Hampshire Bible Church will be hosting a team from Grand Rapids, MI in our home at Nigg. This team of young people will be coming to do special public school programs during the day, assist with projects at the camp as needed, and help with evangelistic crusades in the evenings. It’s a busy time of ministry for them, from June 9 - 16. **Please pray for this endeavor.**

Grateful for His grace,

Andy and Kathleen
