- 2) In Colossians 2:12-13, baptism and the circumcision mentioned here all come after faith. Why is that important?
  
- 3) In Isaiah 52:13, what is the irony of the death of Christ? Discuss how this was demonstrated by the events of the week between Palm Sunday and the Resurrection.
  
- 4) In Isaiah 53:4-9, discuss the nature of the suffering of Christ?
  
- 5) Application: As a small group, consider the victory of Christ found in Isaiah 53:11-12. Personally, in what ways will this encourage your personal sanctification?
